

RESTORING YOUR YOUTH

By

DR. L. MARK KHITIN

NEW YORK VEIN TREATMENT CENTER
NEW YORK, NEW YORK

E

xclusively devoted

to the treatment of venous disease, Dr. L. Mark Khitin specializes in addressing circulatory disorders of the lower extremities, including varicose and spider veins, chronic venostasis, venous hypertension and other conditions and diseases that cause unsightly veins to appear through the skin. He and his friendly staff offer patients a variety of treatment options to help relieve symptoms, prevent complications and restore their youthful appearance. "We are committed to providing the highest quality of personalized care, tailored to patient needs and utilizing the latest state-of-the-art technologies in vascular surgery with successful results," says Dr. Khitin.

“
*Compassion,
camaraderie,
communication
and commitment.*”

WHO I AM

1.

THE BIGGEST MISCONCEPTION ABOUT MY FIELD

Varicose veins are a cosmetic problem. While they are indeed unsightly, they are in fact a medical condition that if left untreated can lead to complications that go far beyond aesthetics

2.

CAREER-DEFINING PROCEDURE

Not one, but thousands of procedures. Each one is unique and provides me with the opportunity to continue to define my career

3.

MY PHILOSOPHY

Compassion, camaraderie, communication and commitment

4.

THE MOST OUTRAGEOUS MEDICAL MYTH I'VE HEARD

Wearing high heels can cause varicose veins

5.

WHAT I CAN'T LIVE WITHOUT

My family

6.

MY MOTTO

Failure to prepare is preparing to fail

7.

MY BEST ADVICE FOR PATIENTS

Stay active

8.

HOW I PUT PATIENTS AT EASE

Providing a calm, clean and modern environment is just the beginning of establishing the trust that is essential for patient comfort. I achieve this by actively listening to their needs and encouraging an open dialogue
